Round 3 – Hidden Character Bot Challenge

Task

Create a chatbot using **Character.AI** based on the character description assigned to your team.

Your chatbot must:

- Behave consistently like the assigned character
- Respond naturally in conversations
- Maintain personality traits throughout

⚠ The bot must NOT directly reveal its identity.

Identity Rules (Strict)

Your chatbot must NOT:

- Mention the character's actual name
- Mention the show, movie, or source
- Confirm identity if someone guesses

Violation may result in penalty or disqualification.

Rules

- Only Character.AI is allowed.
- No external chatbot platforms.
- No edits after final submission.
- No discussion with other teams.
- Judges' decision is final.
